

SPACE CONTROL

Newsletter

JULY 2022

INTRODUCTION

Hello there,

My name is Charlie and I am the Vice President of Operations for Space Control.

You may have had some communication with me during the rollout of SC Pay but wanted to formally introduce myself.

I've had the privilege of working closely with the amazing Space Control team in 2021 to successfully onboard all our software users to SC Pay. The team worked so hard to ensure your locations continued to run smoothly during the transition.

With that now complete, our team's focus is heading in the direction of making Space Control even better for you.

Our plan is to use this Quarterly Newsletter to help communicate to you what we are working on and what's to come for Space Control.

You should see the first one in Q3 and we'd love to hear what you want to see in these. You can email us your ideas and suggestions at:

newsletter@spacecontrol.com

Look forward to sharing what's to come!

Sincerely
Charlie Smith
